

PRIMEX

Product Specifications

Hurricane Clip

Cable Management Clip

1. SUMMARY

The Primex Hurricane Clip is a durable, multi-purpose accessory that provides quick, secure installation and management of cable.

The clip is easily flush-mounted on any Primex Wave or Verge enclosure, and adaptable to a range of other applications.

It securely manages cable including fiber, cat5e/6 and power cords (depending upon enclosure model).

2. PRODUCT DIMENSIONS

Single: H: 2.2"/W: 4.5"/D: 1.8"
 Dual: H: 2.2"/W: 4.9"/D: 0.9"

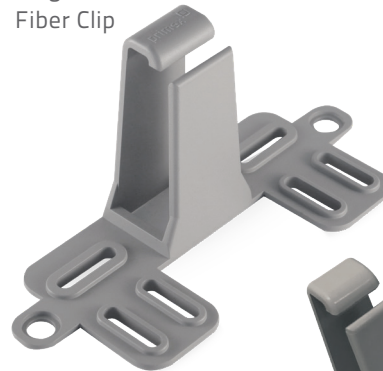

3. FEATURES & BENEFITS

- Mounting hole pattern provides quick and easy installation.
- Break off tabs provide a smaller footprint within the box.
- Easily flush-mounted against enclosure walls to maximize workable space.
- Adaptable to a range of applications.
- Available in PVC for outdoor or ABS for indoor applications.

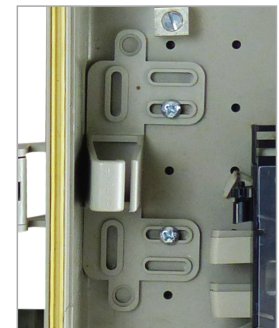

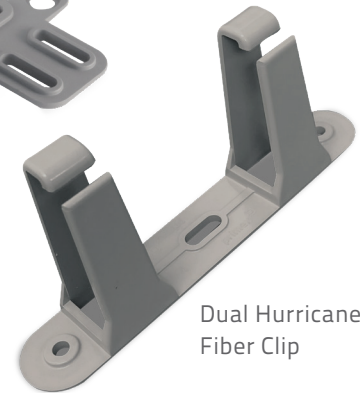

4. CONFIGURATIONS
